Start Date	2020-01-18
End Date	2020-01-18
No. of Participants	102
Venue	IIT Bombay
Details	FOSSEE, IIT Bombay conducted the Coordinators' workshop on Arduino at IIT Bombay on Saturday, 18 January 2020. It was mandatory for each participating Remote Centre to send a teacher, who will act as the domain expert and a coordinator for the Main workshop. The required hardware was provided free of cost to them. There was a live video interaction through A-VIEW at the beginning. After that, all participants who join this course from a Remote Centre were made to learn to do various experiments using the Arduino kit, at that RC.
