

Event Detail :

Name	One Day Workshop on OScad - A free & open source EDA tool
Start Date	2014-04-12
End Date	2014-04-12
No. of Participants	63
Venue	VMCC, IIT Bombay
Details	<p>The FOSSEE team at IIT Bombay has taken up the initiative of promoting FOSS (Free and Open Source Software) for education. We organized a one day workshop on OScad, a free and open source Electronic Design Automation (EDA) tool for breadboarding, circuit design, simulation and PCB design. OScad has been developed at IIT Bombay. This workshop was beneficial for the students of Electrical, Electronics, Instrumentation, Communication, Information Technology, Computer Science and Engineering. The participants were provided with the OScad software at the venue.</p>
